Empathy Map Canvas:

Empathy Map Canvas helps understand the metro passenger's needs, thoughts, feelings, and behaviors during the ticket-booking process. It highlights the passenger's major pain points and expectations, which helps identify opportunities to improve the overall ticket-booking experience.

User Persona: Metro Passenger

Section	Customer Perspective
 Says	"I want faster booking." "I prefer cashless payments."
 Thinks	"Queues waste my time." "I worry about incorrect fares."
 Feels	Frustrated by delays and anxious about failed transactions.
 Does	Waits in line, manually calculates fares, and complains about inefficiency.
 Pain Points	Long queues, manual errors, paper tickets.
 Gains	Faster booking, accurate fare calculation, QR confirmation, and eco-friendly digital tickets.
