

Customer Journey Map – Metro Passenger

Easy Booking → Smooth Journey → Better Experience

1 Planning Journey

- Passenger Actions**
- Check metro route & timings
 - Plan travel time
 - Decide on station

- Passenger Thoughts**
- Is the metro available?
 - Which route is best?
 - How much time will it take?

Passenger Emotions

Curious & Hopeful

- Pain Points**
- Unclear route/timing
 - Lack of real-time info

- Opportunities**
- Real-time schedule & route suggestions
 - Trip planner feature

Emotional Journey

Hopeful

2 Select Source & Destination

- Choose source station
- Choose destination station (on app/terminal)

- Did I select the right stations?
- Will I get the correct route?

Confused & Slightly Anxious

- Manual entry errors
- Unclear station names (similar names)

- Auto-suggest stations
- Map-based selection
- Clear UI/UX

3 Check Fare

- View fare on app/terminal
- Confirm amount

- Is this the correct fare?
- Any extra charges?
- Will it be affordable?

Confused & Unsure

- Manual fare calculation
- Hidden charges
- Need to restart if wrong

- Instant fare display
- Fare calculator
- Fare breakdown

4 Select Passenger Type & Tickets

- Choose passenger Type (Adult/Child/Senior)
- Select number of tickets

- Am I selecting the correct type?
- How many tickets do I need?

Uncertain & Rushed

- Multiple options can be confusing
- Wrong type selection risk

- Clear descriptions with icons
- Default suggestions (e.g., 1 Adult)

5 Make Payment

- Choose payment method (UPI/Card/Wallet/Cash)
- Complete transaction

- Will the payment go through?
- Is it secure?
- What if it fails?

Frustrated & Stressed

- Payment failures
- Limited payment options
- Network issues
- Re-trying multiple times

- Multiple payment options
- Fast & secure transactions
- Retry/auto-recovery

6 Receive Ticket

- Get digital QR ticket (app/phone)
- Or collect paper ticket (if needed)

- Did I get the ticket?
- Is the QR working?
- Do I need to print it?

Relieved & Comfortable

- Waiting time for ticket
- Paper tickets (waste)
- QR not loading / error

- Instant digital ticket
- Auto QR generation
- No paper tickets (eco-friendly)

7 Enter Metro & Travel

- Scan QR / show ticket
- Pass through gate
- Board the train
- Reach destination

- Will the gate scan it?
- Is the train on time?
- Will I reach on time?

Satisfied & Confident

- Queue at entry gates
- Waiting for next train
- Crowded coaches

- Faster gate scanning
- Real-time train updates
- Less crowding (better frequency info)
