

PROJECT DEVELOPMENT PHASE

PERFORMANCE TEST RESULTS

Project Name: Metro Ticket Generating System in ServiceNow

1. Test Execution

Parameter	Details
Project	Metro Ticket Generating System
Environment	ServiceNow PDI
Interface	Service Portal
Browser	Microsoft Edge
Tester	Konathala venkata satyalakshmi

2. Test Results

Test ID	Scenario	Actual Result	Status
PT01	Open Service Portal	Service Portal opened successfully	Pass
PT02	Open Catalog Item	Book A Metro Ticket opened successfully	Pass
PT03	Load Booking Form	Required variables loaded correctly	Pass
PT04	Select Stations	Starting and Destination stations selected successfully	Pass
PT05	Fare Calculation	Fare calculated automatically	Pass
PT06	Journey Type	Fare updated when journey type changed	Pass
PT07	Payment Mode	Dependent payment field behaved correctly	Pass
PT08	QR Generation	QR code generated successfully	Pass
PT09	Submit Booking	Request generated successfully	Pass
PT10	Request Processing	Booking details displayed in requested item	Pass

3. Performance Observations

During testing, the Service Portal and Metro Ticket catalog item loaded successfully. Station selection, passenger count, fare calculation, payment-mode logic, QR generation, and request submission worked as expected during normal usage. No significant performance issues were observed during the test execution.

4. Test Evidence

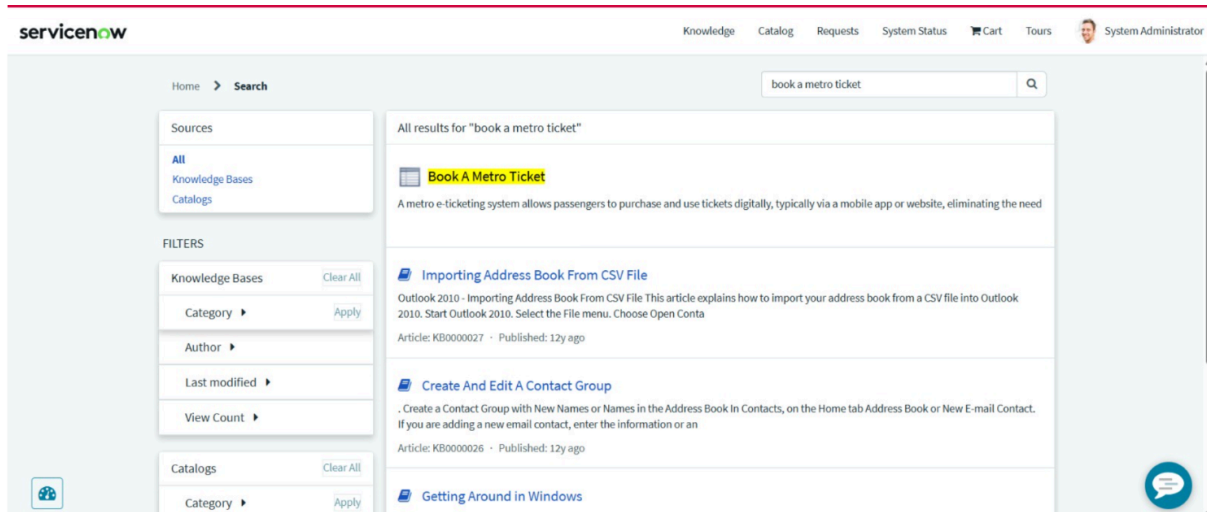

Figure 1: Service Portal displaying the Book A Metro Ticket catalog item

A screenshot of the 'Book A Metro Ticket' booking form in the ServiceNow Service Portal. The breadcrumb trail is 'Home > Service Catalog > Office > Services > Book A Metro Ticket'. The form title is 'Book A Metro Ticket' with a description: 'A metro e-ticketing system allows passengers to purchase and use tickets digitally, typically via a mobile app or website, eliminating the need'. The form includes several fields: 'Starting From' (required), 'Going To' (required), 'Type of journey' (radio buttons for 'Single Journey' and 'Return Journey'), and 'No of Passengers' (dropdown menu). On the right side, there is a 'Quantity' dropdown set to '1', a 'Delivery Time: 2 Days' indicator, and buttons for 'Add to Cart', 'Save as Draft', and 'Order Now'. Below these buttons, there is a 'Required information' section with 'Starting From' and 'Going To' buttons.
